PART I

GENERAL PROVISIONS

1.1 Applicability of Schedule

This schedule of rates and charges is filed pursuant to AS 21.66.370 and contains the rates and charges for all policies, binders, guarantees, and endorsements issued in the State of Alaska.

This schedule shall be applicable in issuing commitments, owner's policies, loan policies, leasehold policies, guarantees, endorsements and other products and services described herein. Unless otherwise noted, owner's policies and guarantees shall be issued in an amount at least equal to the full value of the estate or interest insured, without deduction for encumbrances. Owner's policies may be issued in an amount greater than the full value of the estate insured to cover anticipated improvements. Loan policies shall generally be issued in an amount equal to the amount of the insured loan.

1.2 Definitions

A. Standard Coverage Owner's Policy and Standard Coverage Loan Policy

Standard Coverage Owner's Policy and Standard Coverage Loan Policy shall mean American Land Title Association Owner's policies, and American Land Title Association Loan Policies with the following exceptions in Schedule B:

- 1) Rights or claims of parties in possession not shown by the Public Records.
- 2) Easements, or claims of easement, not shown by the Public Records.
- 3) Encroachments, overlaps, boundary line disputes, or other matters which would be disclosed by an accurate survey or inspection of the Land.
- 4) Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the Public Records.
- 5) Taxes or special assessments which are not shown as existing liens by the Public Records.
- 6) (a) Unpatented mining claims;
(b) reservations or exceptions in patents or in Acts authorizing the issuance thereof;
(c) water rights, claims or title to water, whether or not the matters excepted under (a), (b) or (c) are shown by the Public Records.
- 7) Rights of the state or federal government and/or public in and to any portion of the land for right of way as established by federal statute RS 2477 (whether or not such rights are shown by recordings of easements and/or maps in the Public Records by the State of Alaska showing the general location of these rights of way).

B. Extended Coverage Owner's Policy and Extended Coverage Loan Policy

Extended Coverage Owner's Policy shall mean an American Land Title Association Owner's Policy, and Extended Coverage Loan Policy shall mean an American Land Title Association Loan Policy.

C. Homeowner's Policy

Homeowner's Policy shall mean the American Land Title Association Homeowner's Policy of Title Insurance.

1.3 Computation of Rates

A rate calculated under the terms of this manual which includes \$0.01 - \$0.99 of premium may be rounded up or down to the next whole dollar.

1.4 Short Term Rate

The Short Term Rate is a reduction of 20% from the applicable fee for Owner's policies issued pursuant to Section 2.1 of this schedule when a prior policy has been issued within 24 months of the request for a new policy of title insurance.

The Short Term Rate shall not result in a lesser charge than the minimum policy charge applicable.

1.5 Increased Liability – Outstanding Insurance

The amount of insurance provided for in an existing policy of title insurance may be increased by endorsement at the Basic Title Insurance Rate applicable to the amount of additional insurance requested.

1.6 Minimum Charges

Additional charges will be made when unusual conditions of title exist, when special risks are insured against, or when special services are requested. In the event such charges are made, agreement thereto will be obtained in writing in advance from the person or entity obligated to pay all or any part of such charges and retained by the insurer subject to Division of Insurance approval. In addition to the charges set forth herein a charge will be made for travel and other related expenses incurred in preparing a preliminary report or commitment with respect to property located in a recording district for which Stewart or its agents do not maintain a title plant.

1.7 Additional Chain or Parcel Charges

The insurance rates referred to in this schedule contemplate a single chain of title or parcel and where additional chains of title or parcels are included the following additional charges are applicable:

- A. Property vested in the same ownership but located in different tracts, grants, subdivisions, government sections, swamp and overflow or tideland surveys within the State are separate parcels and an additional charge of \$200 for each separate parcel is added to the Insurance Rate applicable, based upon the aggregate liability, except where two such separate parcels within the same recording district abut to form one holding in one ownership. This additional parcel charge or the cost to obtain the title information applies even though several parcels may have been included within and covered under a prior policy insuring one owner.
- B. Property vested in different ownerships regardless of whether in the same or a different tract, grant, subdivision, government section, swamp and overflow or tideland survey is a separate chain of title and the appropriate Insurance Rate or the cost to obtain the title information applies to each separate ownership or chain of title.

- C. Property divided by a recording district line is construed as non-contiguous and the additional chain charge or the cost to obtain the title information is applied in such cases.

1.8 No Administration of Decedent's Estate (Lack of Probate)

In selected cases, Underwriter may agree to issue insurance even though there has been no administration of a decedent's estate. Such insurance must be based on adequate proofs of heirship, indebtedness and related matters. If the policy is issued within six (6) years of the decedent's death, there shall be an additional charge of 200% of the basic rate. If the policy is issued more than six (6) years but less than ten (10) years following the decedent's death, there shall be an additional charge of 100% of the basic rate. If the policy is issued more than ten (10) years after the decedent's death, there is no additional charge.

1.9 Vacated Streets, Alleys, Easements, Rights-of-Way, Covered with the Issuance of a Policy

The vacated portion of a street or alley or an easement or right-of-way appurtenant to or adjoining the land under search is considered as noncontiguous to the abutting parcel unless it has been previously insured in the same ownership with the abutting parcel. The minimum additional charge is \$200.

1.10 Charges for Services Not Scheduled Herein

Title services of Underwriter may be requested which are not described in this schedule and for which no charge is set forth. In such instances a charge will be made which, in the opinion of Underwriter, appears to be consistent with the general pattern of pricing provided herein and will be filed with the Division of Insurance subject to its approval as provided in AS 21.66.370.

1.11 Cancellation Charges

After the issuance of a preliminary commitment to issue a policy, the preliminary commitment shall have a 1-year effective date from date of billing. The cancellation charge is \$250 as set by the schedule, which charge may be fully credited to a subsequent order on the same property within 12 months of the initial order and 50% credited to a subsequent order on the same property after 12 but within 24 months of the initial charge. If the order is reopened after the 24-month period, another charge shall be made for the issuance of a preliminary commitment or title policy. In the event an order for a trustee's sale guarantee is cancelled prior to the recording of a notice of default on the subject property, the fee for the guarantee shall be reduced to \$250.

If a transaction is consummated in reliance upon a commitment issued by Stewart within the 1 year effective date, but without requesting a policy of title insurance, the full charge appropriate to the type of insurance normally issued on such transaction will apply.

1.12 Guarantees

The charge for Guarantees is 100% of the Basic Title Insurance rate, minimum \$250.
