# KENTUCKY TITLE INSURANCE

## MANUAL OF CHARGES

### A. GENERAL PROVISIONS

This manual of charges contains charges for title insurance by Stewart Title Guaranty Company ("Stewart" or "Underwriter") for the Commonwealth of Kentucky. The charges hereinafter set out are basic charges for title insurance only and do not include charges for searches, examinations, abstracts, attorneys' fees, escrow or closing services, inspections or other services charged by local attorneys, title agents, surveyors, abstractors, or abstract companies. The charges are recommended minimum charges, and additional charges shall be made when an unusual condition of title exists or when special risks are insured. In the event such charges are made, agreement thereto must be obtained in advance from the person or entity obligated to pay all or any part of such charges.

Underwriter reserves the right to decline any application or may at any time on notification to the applicant, cancel any application accepted as long as a binder for insurance has not been issued.

### DEFINITIONS

Charge. The charge is that cost per unit of insurance which, when multiplied by the total units of liability, results in the charge to the customer for the risk assumed. The charge does not include the abstracting or searching fee, examination fee, settlement fees, closing fees, or escrow fees.

Full Principal Debt. The full principal debt is that part of the mortgage debt that is secured by land, excluding therefrom that part of the debt, if any, secured by personal property.

Full Value of Land. The full value of land is the actual purchase price or, if no sale is involved, the full reasonable value as may be agreed upon between the insurer and the proposed insured. On leasehold estates, the full value of the land is the aggregate of the rentals payable under the primary term of the lease or the full value of the land as herein defined, whichever is less.

Identical Land. The identical land is the land or any part thereof described in a policy of title insurance or other indemnity.

Insured. The insured is the person named as the insured in the policy of title insurance or other indemnity.

Land, Premises, or Property. Unless otherwise set forth in the policy of title insurance or other indemnity, land, premises, or property is the land described, specifically or by reference, and improvements affixed thereto which by law constitute real property.

Mortgage. A mortgage is a transfer of an interest in land, other than in trust, to secure performance of the obligation to pay back the indebtedness. The form of the mortgage may be a mortgage or other security instrument relating, at least in part, to land.

Simultaneous Issue. Simultaneous issue is the issuance of two or more policies on identical land out of the same transaction. The effective dates of the policies do not have to be the same in order to qualify for a simultaneous issue; however, if the effective dates are not the same, these policies must have been able to have been issued the same date and a commitment to insure each interest insured must have been issued at the time of the consummation of the transaction.

## B. SCHEDULE OF CHARGES FOR POLICIES

### 1. Interim Title Insurance Binder/Commitment to Insure

An interim title insurance binder is issued to show the liens, defects, and objections to the title to be paid or removed before a policy can be issued and the exceptions, if any, which shall appear in the policy when issued. It is also a binding obligation of Stewart to issue its policy when the requirements of the binder have been complied with.

A commitment shall be effective for six (6) months. Underwriter may issue a written endorsement extending the effective period of the commitment provided that:

- a) A request for extension is received prior to expiration of the commitment.
- b) The extension is for no more than six (6) months.
- c) The effective date of the commitment remains unchanged.
- d) The commitment may not be extended for a total period of more than two (2) years, or five (5) years in the case of planned project commitments.

### 2. Original Charge for Owner's or Leasehold Policies

An Owner's policy of any type, insuring a fee simple estate, will not be issued for less than the full fair market value of all land and improvements, if any, constituting real property. A Leasehold Owner's policy will not be issued for less than the aggregate of the rentals payable under the lease, in connection with which a policy is requested, or the appraised value of the premises, whichever is less.

The charge for Original Owner's or Original Leasehold Owner's policies is as follows:

Liability Amount	Per Thousand
\$0 to \$50,000 .....	\$4.50
Over \$50,000 to \$100,000, add.....	\$4.00
Over \$100,000 to \$500,000, add.....	\$3.00
Over \$500,000 to \$1,000,000, add.....	\$2.50
Over \$1,000,000, add .....	\$2.00
Minimum .....	\$100.00

### 3. ALTA Homeowner's Policy of Title Insurance

The ALTA Homeowner's Policy will be available only to purchasers of one-to-four family residential properties, and the charge is one hundred fifteen percent (115%) of the Original Owner's Policy shown above.

### 4. Reissue Charge for Owner's or Leasehold Policies

A. Reissue charges are available for an owner's or leasehold policy when:

- 1) The same property has been insured by an owner's or leasehold policy issued within five (5) years prior to such application by any title insurance company authorized to conduct business in the Commonwealth of Kentucky; or

2) The insured, under a loan policy issued by Stewart, acquires title by foreclosure or by voluntary conveyance in extinguishment of debt.

B. Reissue charges shall be seventy percent (70%) of the charge for an original owner's or leasehold policy as set out above, up to the amount of insurance of the previous owner's or leasehold policy. Original title insurance charges for an owner's or leasehold policy will be charged for any amount exceeding the previous owner's or leasehold policy amount.

The Reissue charge for Owner's or Leasehold Owner's policies is as follows:

Liability Amount	Per Thousand
\$0 to \$50,000 .....	\$3.15
Over \$50,000 to \$100,000, add.....	\$2.80

The Company is under no obligation to seek or make a determination of the existence of a previous policy.

5. **Original Charge for Loan Policies**

Loan policies shall be issued in the amount of the principal debt together with all amounts secured by the mortgage, or such lesser amount as may be attributed to the value of the real property interest securing the repayment of the debt. A loan policy may be issued for an amount up to 25% in excess of the principal debt to cover interest and foreclosure costs.

Loan or mortgage title insurance expires with the payment or satisfaction of the mortgage described in the policy, except when satisfied by foreclosure or other lawful means of acquiring title in settlement of the mortgage debt. A new mortgage given to renew an old mortgage debt which was originally covered by insurance is a new transaction, creating new liability. If insured, the new transaction requires payment of an original title insurance charge for a loan policy of title insurance, unless it falls within the classification of "Refinance Charges for Loan Policies".

The charge for original loan or mortgage policies is as follows:

Liability Amount	Per Thousand
\$0 to \$50,000 .....	\$3.50
Over \$50,000 to \$100,000, add.....	\$3.00

The charge for the ALTA Expanded Coverage Residential Loan Policy and the ALTA Short Form Expanded Coverage Residential Loan Policy will be one hundred fifteen percent (115%) of the applicable charge for the original Loan Policy shown above, plus any additional charges for endorsements, if any, issued separately or included in the ALTA Expanded Coverage Residential Loan Policy coverages.

8. **Refinance Charges for Loan Policies**

A refinance charge applies for policies insuring a replacement or refinance loan on property subject to an institutional mortgage dated and recorded within the previous five years. The refinance charge shall be seventy percent (70%) of the original issue charges up to the face amount of the mortgage being refinanced. The original issued charge in the applicable bracket will apply to coverage in excess of the previous mortgage amount.

The Refinance Charge for Loan or Mortgage policies is as follows:

9. **Second Mortgages**

The charges for title insurance on second loan or mortgage transactions, and any other junior loans or mortgages, will be the same as the charges for Original Loan Policies.

10. **Extension of Mortgage Loan**

When the indebtedness secured by a mortgage on real property, the title to which has previously been insured by Stewart, is renewed by an extension agreement, upon receipt of an approved attorney's certificate of title, which may be in the form of a letter covering the period from the date of recordation of the mortgage through the date of the recording of the extension agreement, a new title policy or endorsement in connection with the existing policy furnishing coverage up to and including the date of the recording of the extension agreement shall be issued at the following charges:

- a) If issued within one year of the date of the former policy, the minimum charge shall be \$5.00;

- b) If issued within more than one year after the date of the former policy, but less than two years, the minimum charge shall be \$7.50;

The charge for a Residential Limited Coverage Junior Policy or a Short Form Residential Limited Coverage Junior Loan Policy is \$150.00 for any size policy up to \$200,000.

13. **Simultaneous Issue Transactions**

a) **Simultaneous Issuance of Owner’s and Loan Policies**

When an owner’s or leasehold policy and a loan or mortgage policy covering identical land are to be issued simultaneously, the charge shall be at the applicable charge for Original Owner’s or Leasehold policies. The charge for the loan or mortgage policy so issued simultaneously will be \$100. If the loan or mortgage amount exceeds the owner’s or leasehold policy amount, an original title insurance premium shall be charged on the amount of the loan policy in excess of the owner’s or leasehold policy amount.

b) **Simultaneous Issuance of Owner’s (Fee) and Leasehold Policies**

When there is a sale and a simultaneous lease-back of the same property with an owner’s policy issued by Stewart in connection with the sale, a policy may be issued upon request insuring the leasehold estate for a premium of 30% of the charge for an original owner’s or leasehold policy. If the amount of insurance requested is greater for the leasehold policy than that of the owner’s policy, the excess shall be computed at the original title insurance premiums for owner’s or leasehold policies under the applicable brackets. Minimum charge shall be \$100.

c) **Simultaneous Issuance of Seller’s and Purchaser’s Policies**

Where there is a sale with an owner’s policy issued by Stewart to the purchaser, a policy to the seller may be issued upon request at a charge of 30% of the charge for an original owner’s or leasehold policy up to the amount of the policy issued to the purchaser. Minimum charge shall be \$100.

Zoning endorsements may be issued with an owner's, leasehold or loan policy of title insurance for an additional charge of 25% of the original title insurance charge for owner's, leasehold or loan policies, as applicable. For pricing on commercial policies greater than \$5,000,000, please contact the appropriate Stewart Underwriting office.
2. On policies insuring residential property, standard American Land Title Association Endorsements that do not extend or expand the liability of Stewart may be issued at no additional charge.
3. When Stewart is requested to furnish special coverages by endorsement, additional charges may apply. Charges for any endorsements shall be determined by Underwriter and will be reasonable compensation for the work performed and the risk assumed.
